Announcements

- **GRACE-FOR-A-DAY** – GBBC will have our fall Grace-For-A-Day **Thursday-Friday, November 3rd-4th**. This is a perfect time for youth groups and prospective students to experience Grace while having fun doing activities, hanging out with students, attending classes and asking questions, and of course eating some great food! This is a wonderful opportunity for parents and pastors who want to purposefully move young people to a greater understanding of the Word of God and consideration of ministry to bring them and check out Grace Baptist Bible College. Please contact the College office at 336.293.6706 or email Luke DeWald at ladewald@gbbcnc.org for more information.

GIVING OPPORTUNITIES

- **Missions Giving Opportunity** – During our Missions Conference earlier this month, Missionary Mark Seymour mentioned that there is a need to help provide Bible Dictionaries for some of the students in Chad who have a lot of trouble accessing basic Bible Study tools because of high cost and limited resources. This need impacted several people who were interested in helping cover some of these costs and a few responded. If you would like to assist with this, please send a check with a note to Grace Baptist Bible College and we will forward it to Baptist Mid-Missions.
- **Equipment Update Needs** – Occasionally, some friends of Grace have asked that we let you know of any projects you can contribute toward. As equipment ages and technology changes, some items need to be replaced from time to time. Some of our equipment is at this point. Currently we have three key needs. Our office printer is nearing the end of its useful life and we will need to replace it soon. We would also like to purchase a video projector. One of our professors has been very gracious to lend his projector as we need it, but we would like to take that burden from him and purchase one for the school. Lastly, we would like to replace old worn out chairs for our Business Office Manager and Administrative Assistant. We estimate that these needs will cost around \$1,300.00. If you would like to help with this project, please let us know.
